

Dubai, United Arab Emirates, October 28 – 30, 2013

SETCOR Nanotech Dubai 2013 brings together leading scientists, researchers, engineers, practitioners, technology developers and policy makers in nanotechnology to exchange information on their latest research progress, innovation and business opportunities. It's among the most important events in terms of international regulatory policies and it's opened to the participation of private companies. It's unique venue for companies to promote equipment and technology. The conference covers all frontier topics in nanotechnology. The conference includes plenary lectures and invited talks by eminent personalities from around the world in addition to contributed papers both oral and poster presentations.

Conference Scope

- Advanced Materials
- Nanoscale Electronics
- Nanotech in Life Sciences & Medicine
- Energy & Environment
- Fabrication, Characterization & Tools
- Nanotechnology safety
- Nano Application

Journal Papers

Selected journal papers will be published in one of the following journals:

- (1) International Journal of Nanotechnology
- (2) Journal of Biosensors and Bioelectronics
- (3) Journal of Biomaterials and Nanobiotechnology

Conference proceedings

Short conference papers (2 pages maximum including the references list) will be published online in the SETCOR conference Proceedings. Selected conference papers will be published in the Elsevier Procedia Engineering.

Confirmed Keynote Speakers

- Prof. Andrea C. Ferrari- University of Cambridge- UK.
- Prof. Axel Lorke- University of Duisburg-Essen-Germany.
- Prof. Erich Sackmann- Technische Universitat Munchen- Germany.
- Prof. Farzaneh Arefi-Khonsari- University of Pierre & Marie Curie, Paris- France.
- Prof. Jackie Ying- Institute of Bio-engineering and Nanotechnology- Singapore.
- Dr. Bouzid Menea -Fluorotronics, Inc, San Diego, CA- USA
- Prof. Adnane Abdelghani-National Institute of Applied Science and Technology -Tunisia.
- Dr. Vasco Teixeira- University of Minho- Portugal.

Conference Venue

Nanotech Dubai 2013 will take place in the Ritz-Carlton Dubai International Financial Centre (DIFC) Hotel in a privileged place to access the wonderful and exciting city of Dubai.

IMPORTANT DATES

-Abstract acceptance:

September 15th, 2013

Early Bird Registration Deadline

August 31st, 2013

Online Registration Deadline

October 25th, 2013
